MERCATOR OCEAN
Bâtiment C
10 Rue Hermès,
Parc Technologique du Canal
31520 RAMONVILLE-SAINT-AGNE
France

Objective: candidature in response to the Mercator Tender: OCEAN COLOUR TAC
Contract - 2015/S 009-011214

Dear Mercator Ocean,

With present letter I am presenting CMS-OC TAC proposal in response to the Mercator Tender. The proposal is presented by a Consortium Lead by CNR. The Proposal is divided in two volumes:

Volume 1: Application

This volume represents the CNR candidature with all the administrative documents required by the call:

- DC1_ALL
- DC2_CNR
- DC2_ACRI
- DC2_PML
- Letter de Abilitation CNR: CNR Procura Generale: This document demonstrates the ability of the Dr. Enrico Brugnoli (Director of the CNR Department "Scienze del sistema Terra e tecnologie dell'Ambiente") to represent the CNR in the Tender.
- Lettre d'habilitation ACRI & PLM
- Dossier Candidature SCRI-ST
- CD-rom containing all the above documentation

Volume 2: offer

Envelope number 2 contains the elements that make it possible to judge the technical offer of the tenderer and is made up of the following elements:

DC3

Prix_CNR:

- *Bordereau de prix*
- *DPGF_OCEAN_COLOR_OC TAC FINAL*
- *RIB Bancaire*

Proposition technique
